As mentioned in the lottery letter that was sent with your 2017 Fall Lottery tickets, there are some conditions you should be aware of. You must be of legal age (ie 18 years or older) and a resident of Ontario to purchase these tickets. All prizes must be claimed by the winner within one year of the draw, or they will become the property of the church. There are also some conditions put in place regarding the first two prizes. They are as follows:

- No cash value, trips to originate and finish in Ontario.
- Voucher is non-transferable (can only be used by winner to book for self or other family members) and must be booked through Goliger's Travel Plus.
- Can be applied to all booking costs – ie travel ticket, insurance, taxes, accommodation, car rental, etc. – regular service fees apply.
- Multiple trips can be booked up to total voucher value – but full voucher must be used within one year of draw.

### **Re Prize #2 – Gold “Dagmarkors” Pendant with Chain from Malmholt Fine Jewellery, Toronto**

- Prize Value of \$735 is equivalent retail value and includes HST
